DETAILED ACTION

Allowable Subject Matter

Claims 1-12 and 21-28 are allowed.

The following is an examiner's statement of reasons for allowance: the prior art does not disclose or make obvious support body made of a semiconductor material having an open trench or aperture formed therein with a die outer perimeter being defined by the trench and tethers extending across the opening or gap between the support body and the die including all the limitations of the independent claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
